Directions to Beaumont Hospital, Farmington Hills

FROM THE NORTHEAST:

Take Telegraph Road (US-24) south to Eight Mile Road. Take the Eight Mile west exit. Proceed west on Eight Mile Road two miles to Grand River Ave. Turn right (northwest) onto Grand River Ave. and proceed one-quarter mile to hospital entrance (just past the Beaumont Cancer Center and Botsford Inn.)

FROM THE NORTHWEST:

Take I-96 to Grand River Ave. (M-5) exit. Continue on M-5 (Grand River Ave.) about three-quarters of a mile east of Middlebelt Road. The hospital is located on the left-hand side (north side) of Grand River Ave. Loop around to the westbound lanes of Grand River Ave. to the hospital entrance.

FROM THE WEST:

Take M-14 to I-96 (M-14 turns in I-96 at the I-275 intersection). Continue on I-96 to Middlebelt Road exit. Turn left onto Middlebelt Road and head north four and one-half miles to Grand River Ave. Turn right (east) onto Grand River Ave. and proceed about three-quarters of a mile. The hospital is located on the left-hand side (north side) of Grand River Ave. Loop around to the westbound lanes of Grand River Ave. to the hospital entrance.

FROM THE SOUTH:

Take I-275 north to M-5 (Grand River Ave.) exit. Continue on M-5 (Grand River Ave.) about three-quarters of a mile east of Middlebelt Road. The hospital is located on the left-hand side (north side) of Grand River Ave. Loop around to the westbound lanes of Grand River Ave. to the hospital entrance.
