

Welcome to Beaumont Health! This is an exciting, yet busy time, as you prepare to begin your residency or fellowship at Beaumont. Please review the instructions below to help you to plan for orientation and start date of Friday, July 30, 2021.

Beaumont Service Center. The Beaumont Service Center is located at 26901 Beaumont Boulevard, Southfield, MI, 48033. Park near the Main Entrance. *Map Provided.* You are required to wear a mask. Before arriving download the **COVID-19 Screening** app. *Instructions and QR Code provided.* Complete the daily **COVID-19 Screening**.

Complete **BEFORE Friday, July 30, 2021**

1. **Beaumont Password Set-Up.** As a part of our onboarding process, it is required that you set up your password, which will provide access to the Beaumont computer systems. To do this, please go to <https://pss.beaumont.org/> and select "Register Beaumont Logon ID." Your account name or system logon has been sent to you via email. It is important that you remember your username/logon and password – as it will be required for participation in your orientation classes. If you have any technical issues, please contact our IT help desk at 888-481-2448.
2. **Pre-Employment Physical.** All Beaumont employees are subject to Drug (including cannabis, hashish or marijuana) and Nicotine testing. A positive drug screen (not attributed to a prescribed drug reported in advance) or nicotine screen will result in not passing the Pre-Employment Physical. You will NOT be eligible to enter your residency program, or any employment at Beaumont. This will be reported as a violation of the Match agreement as it is a failure to meet the conditions of employment.
 - a. Appointment required; **beginning June 1, call 947.522.3717 and identify yourself as a NEW Fellow starting on July 30**, to schedule your one-hour appointment **between June 30 and July 23** at the Beaumont Service Center (BSC) in Southfield.
 - b. **Friday, July 23 is the last day for physicals.** You must be cleared by Employee Health before Orientation on July 30.
 - c. Go to the Career Center, in area C for **your Pre-Employment Physical and I-9 Documentation Verification.** You will also be able to complete your I-9 Verification and professional portrait (see #3 & 4 below) at the same time.

- d. Bring to your Pre-Employment Physical:
 - i. Completed EHS Form *provided*.
 - ii. List of current medications
 - iii. Immunization Records. The following immunizations are required:
 - 1. MMR Booster (Measles, Mumps and Rubella)
 - 2. Chickenpox
 - 3. Hepatitis B
 - 4. Tetanus/Diphtheria/Acellular Pertussis
 - 5. TB Test. If you have a previous history of a positive TB skin test, provide documentation of that positive result and any chest x-ray reports done within the past three months. A chest x-ray will be done at the time of your screening if you have not had a recent one.
- Suggested places to obtain these records: office of pediatrician, personal physician, OB/GYN physician, former or current health-care employer, school records, or county health department.

3. Professional Portraits.

- a. Make an appointment for your professional portrait to be taken at the same time as your Pre-Employment Physical.
 - i. Email susanne.wu@beaumont.org; Subject: ***New Resident/Fellow Portrait Appointment***.
 - ii. Specify the appointment time for your scheduled physical at the BSC. We will try to schedule your portrait 60 minutes prior to that time. This will allow for arrival at the physical appointment 30 minutes early, as required by Employee Health and Safety.
 - iii. For residents and fellows with physical appointments scheduled at the BSC prior to 8:00 am, an attempt will be made to schedule a portrait appointment as close to the end of your physical appointment as possible. The earliest portrait appointment available would be 7:30 am.
- b. Take the D Elevator to the 4th floor for **Professional Photos**. Enter through the glass doors directly to the left, marked 4th & Dequindre. Pass through the second set of glass doors, marked "B-Space" and turn right. Take the first right off the hallway to the photo studio. You will wear a Beaumont white coat for the portrait. ***Men should wear a shirt and tie; Women should wear a dress or top with a modest neckline.***

- 4. **I-9 Documentation Verification.** Before you arrive at the Beaumont Service Center complete the electronic [Employment Eligibility Verification Form \(I-9\)](#)
 - i. You **must** provide acceptable documentation to verify your eligibility to work in the United States. Original documents must be provided and will be copied to complete the process. *List of acceptable documents provided* (one document from List A, **or** one document from List B **and** one document from List C).

5. Upload your **BLS & ACLS Certification** card to New Innovations <https://www.new-innov.com>; must be an approved course (*AHA course examples provided; American Red Cross also accepted for BLS*). Contact your Program Manager if you do not have a card and are not able to locate a class.
6. Complete assigned **IHI Modules**. *Instructions provided.*
7. Beaumont Hospitals have internal **AT&T and Verizon** antennas to improve reception. **Both offer discounts to Beaumont employees.** Please use these carriers for cellular service to ensure that you can communicate with your teams effectively. You are expected to use your personal device and may connect to the BH Guest Wi-Fi.

What to expect on **Friday, July 30, 2021**

As you are beginning your career during the time of COVID-19, we are unable to host an in-person Orientation. However, we are looking forward to your arrival and preparing you to serve as a Beaumont doctor. Your Orientation will be a combination of on-line modules and videos, live Epic training through Microsoft Teams, and your program-specific Orientation. Instructions and access codes will be provided before July 30.

1. **Orientation Day – July 30, 2021.** You will be provided access to the **Beaumont intranet and applications on your start date.** You will need a computer and internet service on this date. If you do not have access, please contact your Program Manger to use a Beaumont computer.
2. **Epic Training.** You will receive an email invitation to Microsoft Teams (with log in link) for each required course: *Inpatient Provider* is scheduled in the morning, with *Ambulatory Epic* in the afternoon. There is an assessment to complete at the end of each course, which then triggers your Epic access. You **MUST** participate in the entire training session; ***attendance is monitored by the instructors.***
 - a. July 30, 2021, 7:30 am– 12:00 pm, Inpatient Provider
 - b. July 30, 2021, 12:30 – 3:30 pm, Ambulatory

COVID-19 ASSESSMENT FOR TEAM MEMBERS

Every Beaumont Health team member must be assessed for COVID-19 symptoms and risk factors before they can work in our facilities.

This survey must be taken by all Beaumont Health team members whether or not you have a direct patient care role. This survey should be completed every workday.

This survey can be completed on any mobile device with access to a web browser. You do not need to be on the Beaumont network. NOTE: If you do not have mobile device, skip to instructions on page 5.

- 1) Go to the URL:
<https://secure.beaumont.org/clearforwork>

Alternatively, you can scan the following QR code with your Smartphone camera:

- 2) Sign in with your Beaumont.org email
Beaumont.edu users should enter .org instead of .edu.

Note: if you have more than one Microsoft 365 account, your Smartphone may remember the last account you logged into and display that organization (vs. Beaumont).

If this occurs, please select “use another account” and login using your Beaumont.org email.

3) Answer the two questions provided and click "Submit".

2. Press the middle "Share" Button

3. Swipe Up to see all the Options
Press the "Add to Home Screen" Button

4. The icon is now on the home Screen

iPhone users experiencing connectivity or server issues while using the iPhone mail app to send Beaumont email should download the Microsoft Outlook app from the App store

[Instructions on how to setup Microsoft Outlook app](#)

1. From the App Store, download the Microsoft Outlook app

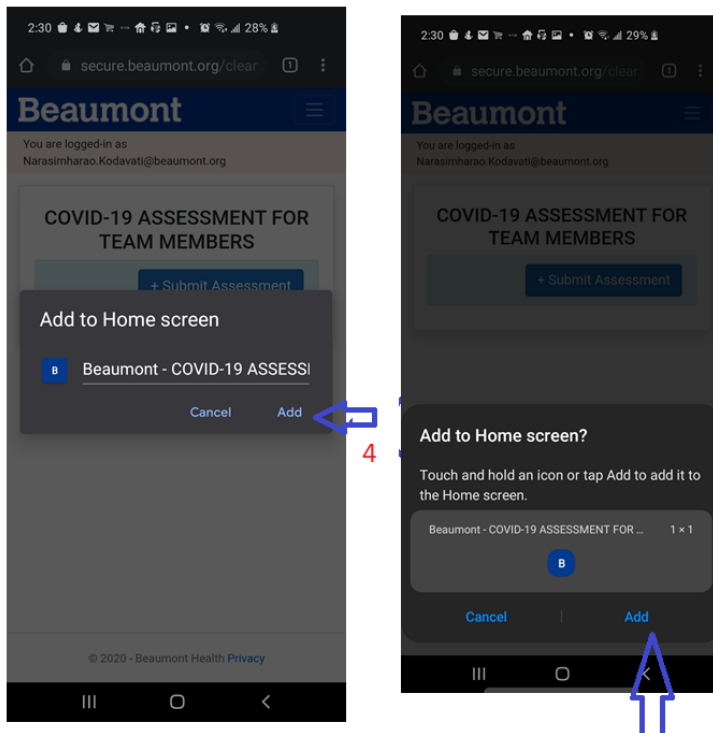

2. Open the Outlook app
3. Tap Get Started.
4. Type in your Beaumont email address.
5. Tap “Exchange”
6. Enter your Workspace email password, your display name, and an optional description of the account. If prompted for the following information, please use following settings:
 - Server: mail.beaumont.org
 - Domain: BH
 - UserID: your BH login ID (e.g. 123456 or bh123456)
7. Tap Go on the keyboard.
8. If you would like to add another account, you can. Otherwise, tap Maybe Later. That's it. You're done! You should see your inbox in the app and be able to send and receive email.

FOR ANDROID USERS:

3. Open Chrome App and navigate to <https://secure.beaumont.org/clearforwork>
4. Select the options menu (three vertical dots on the top right corner)
5. Click on the Add to Home screen option to add shortcut to your phone's home screen.

1. It prompts the user with the below message. Select Add to confirm the icon name
2. Select Add again to create the icon on the user's phone

If you do NOT have a smartphone, you can download a paper version of the assessment from the *experience*Beaumont site. You can print the form and bring the completed form with you when you arrive to work.

BLS (Basic Life Support)

BLS Provider

The new AHA BLS Provider Course replaces the BLS for Healthcare Providers and BLS for Hospital Providers Courses. The BLS Provider Course teaches both single-rescuer and team basic life support skills for application in both in- and out-of-hospital settings. This course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilation, and provide early use of an AED. It includes adult, child, and infant rescue techniques. Provider cards are available exclusively to authorized TCs for issuance in accordance with AHA policy.

Beaumont Health also accepts American Red Cross for BLS, ACLS and PALS certification.

Sample RCSA Instructor printed card

Heart and Stroke Foundation of Canada

The Heart and Stroke Foundation of Canada (HSFC) works closely with AHA ECC Programs. The HSFC provider card is recognized by the AHA and can be used for admission to an AHA provider update course in the same discipline. The HSFC instructor card is recognized by AHA TCs in the same way as an instructor card issued by any AHA TC.

HSFC provider cards are silver.

HSFC instructor cards are gold.

Military Training Network (United States Only)

Since 1984, the AHA has recognized the Military Training Network (MTN) for Resuscitative Medicine Programs as equivalent to an AHA ECC region and national TC.

The MTN coordinates resuscitative medicine programs for the uniformed services. The Department of Defense Health Council at the Uniformed Services University of the Health Sciences established these programs for the uniformed services.

For more information, go to www.usuhs.mil/mtn/.

MTN Provider Cards

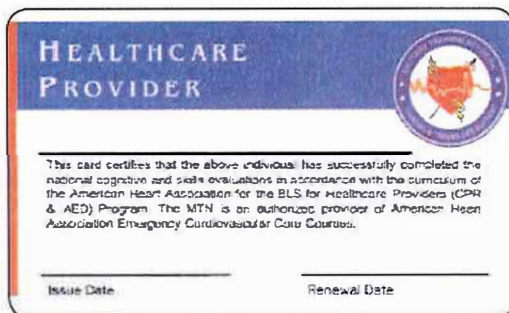

- MTN provider cards for AHA courses are equivalent to the corresponding AHA provider cards (the MTN uses the AHA curricula).
- These cards are recognized within the Department of Defense.
- These cards may not bear the AHA logo.
- MTN provider cards should be recognized by AHA TCs and Training Sites (TSs) when renewing provider status of Department of Defense personnel.
- The MTN may issue AHA provider cards.
- A person with a current MTN provider card may attend a discipline-specific AHA renewal or update course.

MTN Instructor Cards

- The MTN issues AHA Instructor cards.
- MTN Instructors who wish to teach outside the MTN must align with a civilian TC and meet its affiliation requirements. These instructors will have dual instructor status and alignment and will issue cards appropriate to their audiences.
- MTN Instructors must meet all TC and MTN training requirements to maintain their status. All courses may count toward teaching requirements in both systems. It is the instructor's responsibility to ensure that the MTN site and the TC are provided with course rosters.

MTN Training Site Faculty Cards

- The MTN appoints TS Faculty rather than TC Faculty or Regional Faculty.
- MTN TS Faculty appointments are not recognized outside the MTN and are not transferable to civilian TCs. An MTN TS Faculty member who aligns with a civilian TC will need to work with the new TC to establish TC Faculty status.

Employee Vaccine Registration

*Make sure you have a myBeaumontChart login. At the end of the questionnaire, you will be asked to log into myBeaumontChart to finalize your vaccine appointment. You **MUST** have an email confirmation to receive your vaccine.*

1. Open <https://secure.beaumont.org/CovidVaccineAppointment>.
2. If you are already logged into Beaumont, you may skip the sign-in screens. **If you are asked to choose an account, click on your account or click on Use another account button.**
3. Follow the prompts for your login and password.

At this point, you may be redirected to an Exempt screen. The program matches your name with the names of people designated to receive the vaccine. If you are not on the list, you cannot continue until invited. If you see this message and believe this is in error, please contact your manager or email VaccineRegistrationHelp@beaumont.org.

- If you proceed, you will see this screen. **Review the Useful links.**

Book your first dose appointment

*Please use this site **Only** for the first dose appointment

I am declining the vaccine at this time

*Declining at this time will not prevent you from receiving the vaccine in the future.

- To continue, click on “Book your first dose appointment” button. To decline and stop the process, click on “I am declining the vaccine at this time.” If you choose the later, you can return and change your mind.
- The Consent Form screen appears. Review your information. Read your acknowledgement.
- Sign your name. You may type in your name as you like.
- Click on Electronic Acknowledge after reading the notice.

I have read and I understand the Fact Sheet regarding the Emergency Use Authorization (EUA) for the COVID-19 Vaccine that I am being offered. I am aware of the known risks of the COVID-19 Vaccine, including the risks of not being vaccinated. I understand that I am being offered the COVID-19 Vaccine under an EUA and that clinical trials related to the COVID-19 Vaccine are on-going. I have been given the opportunity to discuss the risks and benefits with my immunization provider and my questions have been answered to my satisfaction. I request the vaccine be given to me or the person listed below.

Please type your legal name as acknowledgement of the above: Date:

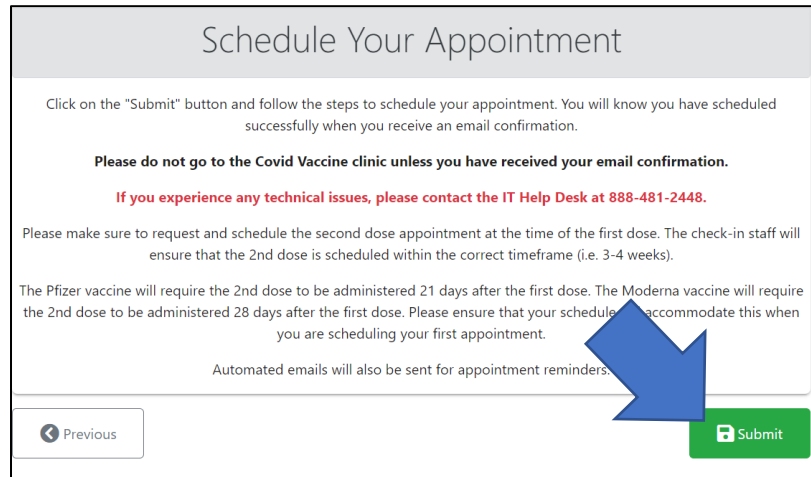

By selecting the checkbox below, you certify that (i) you are the individual completing the form; (ii) all information entered on this form is true and accurate to the best of your knowledge; (iii) you agree with all terms and conditions as listed on this form; (iv) you consent to the use of the checkbox as the means of providing your signature electronically and that such electronic signature is valid.

Electronic Acknowledgement

- Click on Accept button. The User Information appears.
- Continue to fill out the form. If you answer questions in a certain pattern, you may no longer be eligible to accept the vaccine. If you see a green Submit button and click on it, you will be sent out of the form. You may return to the form, login again, re-take the questionnaire when the conditions change.

11. At the end, you will see the Schedule Your Appointment screen. **Review the content.**
12. **Click on Submit to start your scheduling.** This green button will take you out of the program and into myBeaumontChart.

Schedule Your Appointment

Click on the "Submit" button and follow the steps to schedule your appointment. You will know you have scheduled successfully when you receive an email confirmation.

Please do not go to the Covid Vaccine clinic unless you have received your email confirmation.

If you experience any technical issues, please contact the IT Help Desk at 888-481-2448.

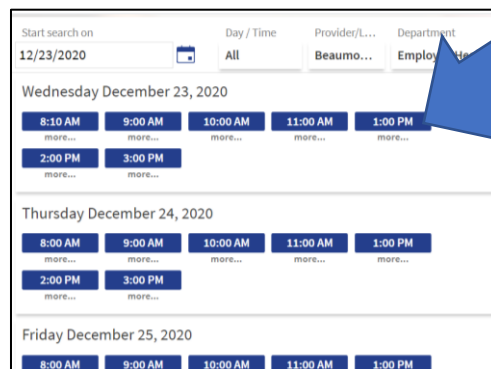

Please make sure to request and schedule the second dose appointment at the time of the first dose. The check-in staff will ensure that the 2nd dose is scheduled within the correct timeframe (i.e. 3-4 weeks).

The Pfizer vaccine will require the 2nd dose to be administered 21 days after the first dose. The Moderna vaccine will require the 2nd dose to be administered 28 days after the first dose. Please ensure that your schedule accommodate this when you are scheduling your first appointment.

Automated emails will also be sent for appointment reminders.
