

Beaumont

Beaumont Hospital - Taylor

Parking

All students and faculty must park in employee designated parking spaces only. All students and faculty are reminded that it's unacceptable and a policy violation to park in areas not designated for employees. Your vehicle may be ticketed and/or towed if you do not park in an identified employee parking space.

Lockers

Male and female lockers are limited and are located in the lower level of the hospital past the mental health elevators and before the Medical Education Department. You may choose to use any open locker. Please bring your own lock. Lockers may be used during your clinical day only. ***Please instruct your students NOT to bring any valuables with them to clinical as the Beaumont Health is not responsible for any lost or stolen items.***

Conference Rooms

We have two conference rooms at this site that may be available for you. Both are in the lower level by Nursing Education; namely, the computer room and the inservice classroom. Please contact site nurse educator, Linda Eoff, to book these at Linda.Eoff@beaumont.org. We make every effort to secure you a room; however, there may be times when a room is not available. In that case, you may use the cafeteria to meet with your students; however please ensure that confidential patient information is not discussed there. In addition, there may be a room on your assigned clinical unit that you can meet in but you ***must obtain approval from the unit manager first before using the room.***
