<p>5. STUDENT/FACULTY CONFIDENTIALITY STATEMENT</p> <p>I shall respect the confidentiality of the patient information obtained in providing care and treatment including information contained in the medical record. I will not divulge or disclose patient information obtained in care and treatment, or the contents of the medical record except as permitted under Beaumont Health's policy and procedure. This includes, but is not limited to, the patient's name, dates of service, diagnosis, or any other patient identifying information.</p> <p>I will at all times and in all places put into practice Beaumont Health's policies and procedures that govern confidentiality located in the Corporate Policy Manual, Policy #1001. I know it is my responsibility to be familiar with these policies and procedures and any changes to these policies and procedures. If I do not understand a confidentiality policy and procedures statement, I know I should ask my instructor or an Beaumont Health representative for guidance.</p> <p>I understand that unauthorized access, ordering, possession, use, copying, discussion, or release of patient information, medical records or personnel files is cause for immediate dismissal from the current Beaumont Health student clinical experience and elimination from any future Beaumont Health student clinical experience. I know that unauthorized acquisition, release, and/or discussion of any information relating to Beaumont Health's business/activities, patient information, current and past employees, job applications, and computerized data is a most serious matter and will be grounds for immediate dismissal from the current Beaumont Health student clinical experience and elimination from any future Beaumont Health student clinical experience.</p> <p>In addition, I will report any infractions of the above to a Beaumont Health manager/supervisor immediately.</p>		
<p>6. Students who are also employees are obligated to inform the Placement Coordinator of any Beaumont Health employment disciplines incurred and the nature of those disciplines immediately upon their occurrence. These will be reviewed on a case by case basis as the incurred discipline may result in termination from clinical placement at Beaumont Health.</p> <p>Students who are also employees are obligated to inform the Placement Coordinator of nonvoluntary termination from Beaumont Health employment. Nonvoluntary termination from Beaumont Health employment will result in immediate dismissal from clinical placement.</p>		

I have oriented my student to the above per Beaumont Health policy.
