

DEARBORN

PARKING (For all shifts):

- Students and faculty are required to park in the Beaumont Medical Park parking lot. From the hospital it is located across Oakwood Boulevard behind the Dearborn Medical Park building. It is known as the old Ford Lot Parking.
- Parking in the “Patient/Family Parking Structure” or the “Employee Parking Deck” is **prohibited**.
 - Your car may be ticketed and/or towed if you do not park in this designated area.
 - Hospital security is obtaining the names/license numbers of those parking in the incorrect lots and your school will be notified.
- If entering the hospital after visiting hours, please use the emergency department entrance.
- Students on afternoon clinicals arriving or leaving during dark hours may request an escort from Security **IF NEEDED**. Security personnel will make every attempt to accommodate an escort request, provided there aren't engaged in hospital activities requiring their attention. **The unavailability of security personnel for an escort should not preclude students from being on time for their clinical.**
