Collection Information

- Reference** The Library has a non-circulating reference collection of dictionaries, directories, etc.
- Journals** The Library subscribes to over 400 nursing periodicals as well as medical and allied health journals.
- Books & A-V's** The Library's' collection contains over 1,000 books and A-V's on nursing topics. More than 100 nursing titles are added each year.
- Home Page** The Library's home page is available on campus only via the hospital's intranet site, *Inside Beaumont*. It contains links to a wide variety of electronic resources including databases, e-journals and e-books.
- Catalog** All the Beaumont Library's holdings are included in the online catalog located on the Medical Library inside Beaumont homepage.

Services Information

- Reference** The Library staff will be happy to assist you in locating information and searching the nursing literature. Ask at the front desk for this service.
- Circulation** Library cards may be obtained at the Circulation Desk and are valid only through the last day of your rotation. All books, except those designated as REFERENCE, OUWB Reserves or NON-CIRC, may be checked out for a three-week period. A-V's may be checked out for one-week period. Nursing students may have two items checked out at a time. All materials are due back on the last day of your rotation. Please be aware that the failure to return items will result in a hold placed on your grades.
- Photocopying** Student nurses on a rotation may photocopy LIBRARY MATERIALS ONLY on the public photocopy machine.
- Databases** The Library subscribes to many databases that are listed on our *Inside Beaumont* Library's home page. Nursing specific databases include Ebsco's CINAHL (Cumulative Index to Nursing and Allied Health Literature) and the Lippincott Advisor & Lippincott Procedures.
