Inpatient Nursing Directory				
Area	Patient Population	Beds	Unit Phone #	Manager
Maternal Child Health Nursing				
35 FBC (21 LDR/10 Triage) (Family Birth Center)	The FBC is comprised of labor & delivery beds, triage, operating suites, PACU, and the center for natural birth.	3903-3921	248-898-1880	Kathryn Armstrong
Antepartum - 19 beds	Care of the patient requiring medical care during pregnancy (this unit not in Ace, students not put here)	3731-57	248-898-3700	Kathryn Armstrong
55 NICU / SCN - 50 beds (Neonatal Intensive Care Unit)	Care of the neonate, IV medications, special nursery, advanced assessment skills.	5112-67	248-898-5398	Mara Sipols
55 PICU - 8 beds (Pediatric Intensive Care Unit)	Care of children with various critical care needs.	5457-73	248-898-5396	Julie Topacio
55 Peds - 48 beds (Pediatrics)	Care of children from infant to 21 year olds, fractures, respiratory illness, appendectomies, surgical hips, and corrective eye surgeries. Also care for Neuroscience, Hematology/Oncology patients.	5301-55 5701,03,15,17,19,21,23,25	248-898-5395 248-898-5700	Mindi Johnson
65 MBC/Nurseries - 50 beds (Mother Baby Care)	Care of the mother and baby, PCA pumps	6323-44 6401-81 Nurseries A-D	248-898-6396 248-898-6144	Patti Fross
65 Gyn - 32 beds (Gynecology)	Care of Gynecology pts, gyn surgeries including hysterectomies, and general medical patients.	6301-22 6345-65	248-898-6395	Patricia Delgado
Medical Nursing				
4E MICU - 20 beds (Medical Intensive Care Unit)	Care of the complex medical patient, hemodynamic monitoring, vasoactive drips, pressors, ventilators, CRRT, Trachs.	4801-4810 4811-4820	248-898-4800 248-898-4890	Barb Cottrell
4C/CN MPCU - 46 beds (Medical Progressive Care Unit)	Care of the progressive care level cardiac (IV, NTG, Hep, Dopa/Dobutamine, Cardizem); renal pts (peritoneal dialysis); DKA (IV insulin); and respiratory pts (cpap, bipap). Central lines (PICCs).	4201-23 4701-79	248-898-4200 248-898-4700	Howard Mathis
5C Nephro - 22 beds (Nephrology)	Care of nephrology and transplant patients.	5731-81	248-898-5790	Lisa Davis
6 Center Medical- 34 beds	Care of the medical patient	6701-25 6731-51	248-898-6700	Jennifer Martens
6NW IMU/MED - 35 beds	Care of the general medical and pulmonary medical patient with focus on patients with heart failure, progressive beds.	6637-6673	248-898-6690 248-898-6600	Jo Medado-Ramirez 248-898-6699
6NE Prog. - 33 beds	This unit provides cardiac monitoring capability, non-invasive ventilation, and administration of IV vasoactive drugs. Patient diagnoses include cardiac, general medical, respiratory failure, sepsis, PE, DKA, unstable GI bleeds	6601-6636	248-898-6695	Kim Matthews (Keathley) 248-898-6698
8C Medical - 41 beds	Care of the general medical patient: Blood transfusions, insulin drips, wound care, wound vac, central lines (PICC and mediport), pain control, and PCA.	8701-81	248-898-8700	Kristen Chaulk (Gawlik)
8S Hem-Onc - 57 beds (Hematology-Oncology)	Care of the oncology patients involving chemotherapy, groshong port and groshong catheters, pain control, and adult cancer care.	8401-41 8465-97	248-898-8396	Janette Bell
9N ACE - 29 beds	Acute Care of Elders, care of the general medical patient.	9601-36	248-898-9600 248-898-9695	Ester (Joyce) Szymd
9N Medical - 35 beds	Care of the general medical patient: Blood transfusions, insulin drips, wound care, wound vac, central lines (PICC and mediport), pain control, and PCA.	9637-73	248-898-9600 248-898-9690	Christina Maciborski Ester (Joyce) Szymd
LL NW MOU - 54 beds (Medical Surgical Observation Unit)	Care of the patient in medical short stay for blood transfusions, chest pain & abdominal pain assessment, persantine tests, kidney stones, uncontrolled diabetes, pain control IVDA, falls, generalized weakness and headaches. Pts are predominantly outpatient.	Pd A Rms 1-10 Pod B Rms 11-25 Pod C Rms 26-29, 34-54	248-551-5760 248-551-5780 248-551-5790	Stacey Hegerberg
Surgical Nursing & Rehab				
3E SICU-20 beds (Surgical Intensive Care Unit)	The 3E patient population is Peripheral Vascular, Thoracic, Trauma, Liver and Kidney Transplant, General Surgery (nose to toes), Orthopedic, and ECMO. We use central lines, ventilators, arterial lines, tracheostomies, simple and complex abdominal wounds, Wound Vacs, chest tubes, invasive and non-invasive hemodynamic monitoring, titration of vasopressors and antihypertensive medications. 3808-3913 are Surgical Progressive Care Rooms.	3801-10 3811-20	248-898-3800 248-898-3890	Scott Schnedler
3CN-SPCU - 10 beds (surgical progressive care unit)	The patient population consists of general surgery, peripheral vascular, trauma, orthopedic, and colon-rectal surgery patients. We utilize invasive (arterial lines and CVP) and non-invasive hemodynamic monitoring. (students not put here, not in Ace due to low bed count)	3201-19	248-898-3200	Melissa DiPerna
7C Surgery - 33 beds	The patient population consists of acuity adaptable surgical patients.	7701-7771	248-898-7700	Nicole Roggenbuck
7NE Gen Surg - 31 beds (Surgical)	General surgical patients, urology, colon-rectal surgery, ENT surgery, plastic surgery, trauma.	7601-7638	248-898-7600	Maya Vulaj
7NW Gen Surg - 33 beds (Surgical)	General surgical patients, urology, colon-rectal surgery, ENT surgery, plastic surgery, trauma.	7639-7673	248-898-7600	Peter LaFramboise
9S IPR - 64 beds total (Rehabilitation)	Patients include but are not limited to trauma, spinal cord injuries, traumatic brain injuries and stroke.	9301-65 9445-69	248-898-9300	Pamela Zawadzki
9SE Ortho - 50 beds (Orthopaedics)	Care of Orthopedic patients, pre and post hip replacement, knee replacements, ortho surgeries.	9401-35 9439-44 9471-97	248-898-9395	Vickie Rayburn
1South - Extended Recovery Unit - 20 beds	Short stay unit comprised of same day total joints, spine surgery, extended recovery plastic surgery, GYN and blood transfusion patients.	1423-1449	248-898-2684	Maureen Cooper
Specialty Nursing				
2E SICU - 20 beds (Surgical Intensive Care Unit)	Critical Care: Cardiac, cardio/vasc, open heart, IABP, pacemakers, VAD, CRRT, PA Catheter, LVADs, IV drips, chest tubes, invasive and non-invasive hemodynamic monitoring.	2801-10 2811-20	248-898-2800 248-898-2890	Melissa DiPerna
5E SICU -20 beds (Surgical Intensive Care Unit)	Critical Care: Trauma & Neuro & General: hemodynamic lines, drips, PA Catheter, vents, complex patients with lots of bedside procedures, invasive and non-invasive hemodynamic monitoring, CRRT	5801-10 5811-20	248-898-5800 248-898-5890	Thomas Clancy
5NE Surg - 35 beds	5 Northeast is a 35 bed post-surgical unit that specializes in care for post-op cardiovascular, thoracic, peripheral vascular, general surgery, and trauma patients as well as cares for CHF patients. This unit has telemetry monitoring, includes 6 progressive care beds, and administers vasoactive medications	5601-38	248-898-5600	Zena Kassab
5NW Surg -33 beds	5 Northwest is a 33 bed post-surgical unit that specializes in care for post-op cardiovascular, thoracic, peripheral vascular, general surgery, and trauma patients as well as cares for CHF patients. This unit has telemetry monitoring.	5639-73	248-898-5600	Kristin Lerchenfeldt
5CN Surg -12 beds (Surgical)	Care of the general surgical patient. Cardiothoracic & thoracic patients	5201-23	248-898-5200	Melissa DiPerna
6E CCU - 20 beds (Critical Care Unit)	Cardiology Critical Care: 12 lead EKG interpretations, multi-factorial pt population in multi-system organ failure, CRRT, vent weaning, vasopressor/anti-arrhythmic uses, using advanced assessment skills/techniques, CABG pts (pre-op/post-op care), PTVA's, pacemakers, chest tubes, pre-post cardiac cath procedures/EPS procedures, invasive and non-invasive hemodynamic monitoring, PA Catheter, IABP and VADs.	6801-10 6811-20	248-898-6800 248-898-6890	Diane Capoccia
8NE CPCU - 33 beds (Cardiac Progressive Care Unit)	Cardiac population with r/o MI, chest pain, for pre and post cardiac cath, cardiac interventional, arterial lines, line pulls, IV Ntg, Hep, Dobutamine, Dopamine.	8601-06,33-38 8607-8632	248-898-8696 248-898-8695	Heather Guppell
8NW CPCU - 35 beds (Cardiac Progressive Care Unit)	Cardiac population with r/o MI, chest pain, for pre and post cardiac cath, cardiac interventional, arterial lines, line pulls, IV Ntg, Hep, Dobutamine, Dopamine.	8638-73	248-898-8690	Samantha Start
8S Neuro - 57 beds (Neurology-Medical)	Care of the neurologically impaired patient, stroke, CVAs.	Prg 8301-8327 Med 8331-65 8459-64 8449-57	248-898-8395	Michelle Boiani
