Inpatient Nursing Directory				
Area	Patient Population	Beds	Unit Phone #	Manager
Maternal Child Health Nursing				
3S FBC (21 LDR/10 Triage) <i>(Family Birth Center)</i>	The FBC is comprised of labor & delivery beds, triage, operating suites, PACU, and the center for natural birth.	3901-3940	248-898-1880	Kathryn Armstrong
3CW Antepartum - 19 beds	Care of the patient requiring medical care during pregnancy (this unit not in Ace, students not put here)	3701-3771	248-898-3700	Kathryn Armstrong
5S NICU - 50 beds <i>(Neonatal Intensive Care Unit)</i>	Care of the neonate, IV medications, special nursery, advanced assessment skills.	5101-48 5150-67	248-898-5398	Mara Sipols
5S PICU - 8 beds <i>(Pediatric Intensive Care Unit)</i>	Care of children with various critical care needs.	5457-73	248-898-5396	Julie Topacio
5S Peds - 50 beds <i>(Pediatrics)</i>	Care of children from infant to 21 year olds, fractures, respiratory illness, appendectomies, surgical hips, and corrective eye surgeries. Also care for Neuroscience, Hematology/Oncology patients.	5301-55	248-898-5366	Mindi Johnson
6S MBC/Nurseries - 50 beds <i>(Mother/Baby Care)</i>	Care of the mother and baby, PCA pumps	6323-43 6401-81	248-898-6396 248-898-6144	Patti Fross
6S Med/Gyn - 32 beds <i>(Medical/Gynecology)</i>	Care of Gynecology pts, gyn surgeries including hysterectomies, and general medical patients.	6301-22 6323-44 6345-65	248-898-6395	Jaclyn Parr
9C Psych - 30 beds <i>(Psychiatric)</i>	Care of the patient with mental illness including depression, bipolar, schizophrenia & eating disorders.	9701-10 9731-46	248-898-9700	Catherine Cushing (interim)
Medical Nursing				
4E MICU - 20 beds <i>(Medical Intensive Care Unit)</i>	Care of the complex medical patient, hemodynamic monitoring, vasoactive drips, pressors, ventilators, CRRT, Trachs.	4801-20	248-898-4800	Barb Cottrell
4C/CN MPCU - 46 beds <i>(Medical Progressive Care Unit)</i>	Care of the progressive care level cardiac (IV, NTG, Hep, Dopa/Dobutamine, Cardizem); renal pts (peritoneal dialysis); DKA (IV insulin); and respiratory pts (cpap, bipap). Central lines (PICCs).	4201-23	248-898-4200	Montana Green
5C Nephro - 22 beds <i>(Nephrology)</i>	Care of nephrology and transplant patients.	5731-81	248-898-5790	Paula Bigger
6C Hospice - 34 beds	Care of the Hospice Patient		248-898-6950	Jennifer Martens
6NW Medical PMU/IMU - 35 beds	Care of the general medical and pulmonary medical patient with focus on patients with heart failure, progressive beds.	6637-6673	248-898-6690 248-898-6600	Jo Medado-Ramirez 248-898-6699
6N MP -Medical Progressive - 33 beds	This unit provides cardiac monitoring capability, non-invasive ventilation, and administration of IV vasoactive drugs. Patient diagnoses include cardiac, general medical, respiratory failure, sepsis, PE, DKA, unstable GI bleeds	6601-6636	248-898-6695 248-898-6600	Kim Keathley 248-898-6698
8C Med - 48 beds <i>(Medical)</i>	Care of the general medical patient: Blood transfusions, insulin drips, wound care, wound vac, central lines (PICC and mediport), pain control, and PCA.	8701-81	248-898-8799	Jacquelyn Unger (interim)
8S Hem-Onc - 48 beds <i>(Hematology-Oncology)</i>	Care of the oncology patients involving chemotherapy, groshong port and groshong catheters, pain control, and adult cancer care.	8401-41	248-898-8396	Janette Bell
9N Med - 64 beds <i>(Medical)</i>	Care of the general medical patient: Blood transfusions, insulin drips, wound care, wound vac, central lines (PICC and mediport), pain control, and PCA. 26 beds are dedicated to the Acute Care of Elders.	9603-34 9601 9631-73	248-898-9600	Maureen Raab
LL NW MOU - 54 beds <i>(Medical Surgical Observation Unit)</i>	Care of the patient in medical short stay for blood transfusions, chest pain & abdominal pain assessment, persantine tests, kidney stones, uncontrolled diabetes, pain control IVDA, falls, generalized weakness and headaches. Pts are predominantly outpatient.	1417, 1423-1449	248-551-5760	Stacey Hegerberg
Surgical Nursing & Rehab				
3E SICU - 20 beds <i>(Surgical Intensive Care Unit) 20 beds</i>	The 3E patient population is Peripheral Vascular, Thoracic, Trauma, Liver and Kidney Transplant, General Surgery (nose to toes), Orthopedic, and ECMO. We use central lines, ventilators, arterial lines, tracheostomies, simple and complex abdominal wounds, Wound Vacs, chest tubes, invasive and non-invasive hemodynamic monitoring, titration of vasopressors and antihypertensive medications. 3808-3813 are Surgical Progressive Care Rooms.	3801-10 3811-20	248-898-3800 248-898-2890	Valentina Berishaj
3CN-SPCU - 9 beds <i>(surgical progressive care unit)</i>	The patient population consists of general surgery, peripheral vascular, trauma, orthopedic, and colon-rectal surgery patients. We utilize invasive (arterial lines and CVP) and non-invasive hemodynamic monitoring. (students not put here, not in Ace due to low bed count)	3201-19	248-898-3200 248-898-2890	Valentina Berishaj
7NE General Surgery - 31 beds <i>(Surgical)</i>	General surgical patients, urology, colon-rectal surgery, ENT surgery, plastic surgery, trauma.	7601-7638 7627-7630	248-898-7600	Maya Vulaj
7NW General Surgery - 33 beds <i>(Surgical)</i>	General surgical patients, urology, colon-rectal surgery, ENT surgery, plastic surgery, trauma.	7639-7673	248-898-7600	Peter LaFramboise
9S Rehab - 65 beds total <i>(Rehabilitation)</i>	Patients include but are not limited to trauma, spinal cord injuries, traumatic brain injuries and stroke.	7701-71	248-898-7143	Pamela Magas (interim)
9S East Ortho - 50 beds <i>(Orthopaedics)</i>	Care of Orthopedic patients, pre and post hip replacement, knee replacements, ortho surgeries.	9401-35 9471-97 9465-69	248-898-9395	Vickie Rayburn
1S Extended Recovery - 26 beds	Short stay unit comprised of same day total joints, spine surgery, extended recovery plastic surgery, GYN and blood transfusion patients.		248-898-9395	Maureen Cooper
Specialty Nursing				
2E SICU - 20 beds <i>(Surgical Intensive Care Unit)</i>	Critical Care: Cardiac, cardio/vasc, open heart, IABP, pacemakers, VAD, CRRT, PA Catheter, LVADs, IV drips, chest tubes, invasive and non-invasive hemodynamic monitoring.	2801-10 2811-20	248-898-2890	Valentina Berishaj
5E SICU - 20 beds <i>(Surgical Intensive Care Unit)</i>	Critical Care: Trauma & Neuro & General: hemodynamic lines, drips, PA Catheter, vents, complex patients with lots of bedside procedures, invasive and non-invasive hemodynamic monitoring, CRRT	5801-10 5811-20	(947) 520-6489	Thomas Clancy
5NE Surg - 35 beds	5 Northeast is a 35 bed post-surgical unit that specializes in care for post-op cardiovascular, thoracic, peripheral vascular, general surgery, and trauma patients as well as cares for CHF patients. This unit has telemetry monitoring, includes 6 progressive care beds, and administers vasoactive medications	5601-38	248-898-5600	Zena Kassab
5NW Surg - 33 beds	5 Northwest is a 33 bed post-surgical unit that specializes in care for post-op cardiovascular, thoracic, peripheral vascular, general surgery, and trauma patients as well as cares for CHF patients. This unit has telemetry monitoring.	5639-73	248-898-5600	Kristin Sarzynski
5CN Surg - 23 beds <i>(Surgical)</i>	Care of the general surgical patient. Cardiothoracic & thoracic patients	5201-23	248-898-5698	Valentina Berishaj
6E CCU - 20 beds <i>(Critical Care Unit)</i>	Cardiology Critical Care: 12 lead EKG interpretations, multi-factorial pt population in multi-system organ failure, CRRT, vent weaning, vasopressor/anti-arrhythmic uses, using advanced assessment skills/techniques, CABG pts (pre-op/post-op care), PTVA's, pacemakers, chest tubes, pre-post cardiac cath procedures/EPs procedures, invasive and non-invasive hemodynamic monitoring, PA Catheter, IABP and VADs.	6801-10 6811-22	248-898-6800	Diane Capocchia
8NW CPCU - 50 beds <i>(Cardiac Progressive Care Unit)</i>	Cardiac population with r/o MI, chest pain, for pre and post cardiac cath, cardiac interventional, arterial lines, line pulls, IV Ntg, Hep, Dobutamine, Dopamine.	8641-73	248-898-8480	Samantha Start
8NE CPCU - 50 beds <i>(Cardiac Progressive Care Unit)</i>	Cardiac population with r/o MI, chest pain, for pre and post cardiac cath, cardiac interventional, arterial lines, line pulls, IV Ntg, Hep, Dobutamine, Dopamine.	8601-40	248-898-0588	Heather Guppell
8S Neuro-Med - 52 beds <i>(Neurology-Medical)</i>	Care of the neurologically impaired patient, stroke, CVAs.	8301-11 8331-65 8443-69	248-898-8395	Michelle Boiani
8S Neuro-Prog <i>(Neurology-Progressive)</i>	Care of the neurologically impaired patient, stroke, CVAs.	8313-27	248-898-8395	Michelle Boiani
